Dear Sirs,

**IDENTITY THEFT VICTIM – NOTICE OF DISASSOCIATION**

I am writing to you to make you aware that I am a victim of identity theft and another person has used my personal information to obtain credit fraudulently. This has been done without my knowledge or consent and I wish to disassociate myself from them immediately.

The details regarding the use of my identity have also been reported to my local police and I have obtained a crime reference number \_\_\_\_\_.

I request that you add a notice of disassociation to my credit file. I would like the following text to appear:

“I have been the victim of impersonation fraud. Please treat all applications in my name as suspicious until further notice.”

I require you to remove the adverse entry from my credit file as indicated upon the attached report. I also require that you write to me in order to explain what action I may need to take to ensure that the entry is removed.

Please confirm to me in writing, by return, that you have completed these requests.

Yours faithfully
